ALOE BURST PLUS (Antibacterial)

DESCRIPTION

This antibacterial foaming hand cleaner is made from a blend of specially selected ingredients that will not only cut tough dirt and grease, but will leave hands soft and velvety to the touch. It contains no irritating impurities that will crack or dry skin, yet it cleans thoroughly. This product's special formula is designed for efficient and thorough cleaning. Even after repeated use, hands retain their softness. This concentrated liquid detergent provides excellent cleaning for grease, grime, and dirt.

INSTRUCTIONS

Instant solubility ensures fast sudsing and minimum waste. The continual high suds stability means less product used for the same results. This product contains water softeners so no harsh residues are left behind to irritate the skin. Skin softening agents are also used to replace natural oils removed by other harsh detergents and soaps. For use as a hand and body detergent only. Apply a small amount in palm of hand. Use with warm water and lather up, rinse then dry. This product leaves a fresh scent while removing dirt and grime and harmful bacteria.
