

# Citrus Drain Cleaner

Citrus Cleaner & Degreaser

**Food Service**

## *Description*

This product is all natural, highly dilutable, concentrated citrus based cleaner can be diluted to desired strength for many cleaning jobs. Excellent grease cutting and soil dissolving action. Works as a orange drain cleaner, degreaser for engines, motors, grease traps, concrete and removes oil & grease stains, bumper stickers & decals, adhesives, scuff marks, crayon marks, tar, asphalt and tire marks from any non-porous hard surfaces. Controls odors and leaves the area where used with a lingering fresh citrus fragrance. Great drain deodorizer and drain grease remover.

## *Directions for Use*

This product can be used full strength or used 1 part per 20 parts water. When used undiluted, this product quickly removes gum, wax, asphalt, tar and adhesives. By diluting 1 - 30 it makes a wonderful general-purpose neutral pH cleaner for just about anything including stainless steel, floors and walls. For grease traps and drains pour full strength into opening furthest from street outlet and allow to soak. This product is 100% active, 100% organic and all natural.

## *Safety Cautions*

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

## *Features & Benefits*
