

CONQUER

Biodegradable Citrus Based Solvent

DESCRIPTION

Conquer is a safe, citrus solvent-based product for use on all types of surfaces. It instantly removes ink, tar, asphalt, gum, wax, grease, soap scum, adhesives, forklift tire marks and much more. This unique formulation can also be used in sinks, grease traps, and drains to prevent or remove grease buildup or foul odors from solid waste. This product is specifically designed to be versatile in application and allow for multiple areas of use such as residential, commercial, industrial, and institutional facilities. Conquer is completely organic and is a great alternative to harsh solvent cleaners and is environmentally friendly.

INSTRUCTIONS

This product can be used full strength or diluted up to 1 part product per 30 parts water. When used undiluted, this product quickly removes gum, wax, asphalt, tar and adhesives. By diluting 1 - 30 it makes a wonderful general-purpose neutral pH cleaner for just about anything including stainless steel, floors and walls. For grease traps and drains pour full strength into opening furthest from street outlet and allow it to dwell. This product is 100% active, 100% organic and all natural.

FEATURES

- Economical
- Highly concentrated
- Pleasant Citrus Fragrance
- Versatile in application & dilution
- Alternative to harsh solvent cleaners
- Biodegradable

SPECIFICATIONS

Appearance:	Orange Liquid	PH:	8-9
