

Dry Shine

Polish and Drying Agent

Automobile

Description

Dry Shine is a highly concentrated and versatile drying agent. This product will provide excellent water break and beading in all types of washes. It is especially effective in touchless washes as well as high speed conveyors and in-bay automatics.

Directions for Use

Conveyor - Apply through drying agent arch.

High Pressure In-Bay Automatic - Apply through drying agent or spray wax cycle.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Highly Concentrated
- Safe for all vehicle surfaces
- Excellent beading and break times
- Non-toxic, Non-corrosive, and non-flammable

Specifications

Appearance:	Pink Liquid
Odor:	Low
PH	7
Specific Gravity:	1.01
Detergency:	Excellent

Dilution

Amount of product used may vary with line-speed, temperature, drip area, etc.

Available Sizes

- Pail/ 5 gallon: Item # 110205
- Drum/ 30 gallon: Item # 110211
- Drum/ 55 gallon: Item # 110206
