

## DUSTMOP TREATMENT SB

### Solvent Based

#### DESCRIPTION

Solvent Based Dust Mop Treatment is a ready-to-use solvent based treatment that effectively and safely removes dust and surface dirt from all surfaces.

Safe on all types of flooring material and does not leave greasy film to attract soil.

#### INSTRUCTIONS

Hold trigger spray 5 to 8 inches from dust mop or cloth and spray lightly over entire area. Do not saturate.

Pre-treat dust mop 8-12 hours prior to use on floor. Treated dust mops may be stored in individual plastic bags for use as needed.
