

Fury

Dry Slurry Carpet Extraction Detergent

Carpet Care

Description

Fury is a heavy-duty slurry type carpet detergent was designed to be equally effective in hot or warm water. This pleasantly scented powder has been formulated for use in standard, water extraction, and carpet-cleaning equipment. It breaks down tough dirt and grime and is recommended for use in truck-mounted equipment. This product contains complex surfactants, which make it highly effective on natural and synthetic fibers. Its formula contains the strength of a concentrated cleaner to give you the most effective cleaning power in hotels, motels, schools, hospitals and homes.

Directions for Use

For residential and commercial carpets. Always pre-test in an inconspicuous location.

Truck Mount Use: Mix 20 ounces (2.5 cups) into 5 gallons of warm water until completely dissolved to make truck mount concentrate for use in chemical injection system.

For stain-resistant carpet, set truck mount chemical injection system for 2 gallons / hr. For commercial and non-stain resistant carpet, set truck mount chemical injection for 4 gallons / hr.

Portable Use: For stain-resistant carpet, mix 2 ounces per 5 gallons of hot water. For commercial and non-stain resistant carpet, mix 2 ounces per 5 gallons of hot water.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
