

GEL-ZOV

DESCRIPTION

Gel-Zov is a uniquely formulated gel spotter for use on carpet, upholstery, and most other washable surfaces. This product, when used correctly, safely removes gum, tar, grease, oil, crayon, lipstick, candle wax, and much more from all types of fibers. This powerful D-Limonene formula is designed to provide maximum effectiveness by remaining on top of the carpet or clinging to the fiber rather than seeping to the backing of the fiber, which may cause adverse effects.

INSTRUCTIONS

Remove excess material when possible. Liberally apply Gel-Zov to the spot to be removed. Allow 5-10 minutes dwell time depending on spot. Agitate with brush or bone scraper being sure not to damage the fiber being treated. Rinse with water and blot or extract. Repeat if necessary.

Test product in an inconspicuous area before applying for deleterious results.

FEATURES

- D-Limonene based
- Removes tough stains
- Rinses freely

SPECIFICATIONS

Appearance:	White Gel	pH:	8-9
Odor:	Citrus	Biodegradable:	Yes
Specific gravity:	0.823
