

GLASS FORCE

DESCRIPTION

GLASS FORCE is a Ready-To-Use glass and window cleaner fortified with ammonia. Its advanced formula contains special ingredients that "wick" into the cleaning cloth, evaporating quickly and completely to leave a non-streak, squeaky-clean surface. GLASS FORCE quickly removes fingerprints, smudges, grease, and other unsightly soils.

INSTRUCTIONS

Glass & Mirrors - Spray a light mist onto surface. Wipe over entire surface and polish dry. For best results use two lint-free paper towels or cloths. Wipe cleans with the first cloth and polish with the second dry cloth. Discontinue use once they are excessively dirty. A sponge may be used, followed by drying with a squeegee or paper towels.

FEATURES

- Non-streaking formula
- Ready To Use
- Leaves glass and hard surfaces sparkling
