

JUST LIKE MAGIC

DESCRIPTION

An easy to use 2 shot (**Part A and Part B**) stain removal system that works like magic on hard to remove stains and discoloration like Kool Aid, coffee, tea urine, red wine and many other materials. Just like Magic isn't magic, it's the next generation of stain removal chemistry.

There's nothing to mix and no unused solution to waste, just 2 quick shots and the stain is gone.

INSTRUCTIONS

Clean stained area to remove as much contamination as possible. Blot dry.

Squirt the stained area with Just Like Magic Step **A**.

Immediately squirt the area with Just Like Magic Step **B**.

The stain may disappear immediately or it may take several hours for the chemical reaction to finish.

Rinse the spot with hot water when finished.

For precise application mix equal amounts of Just Like Magic Step A and Just like Magic Step B together in a clean container and apply with an eye dropper.

FEATURES

- Environmentally safe
