

PINE FRESH

DESCRIPTION

Cross-Contamination is of major housekeeping concern in schools, medical institutions, and industry. This product has been formulated to aid the reducing of cross-contamination in these areas. This product is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria. It is fungicidal and will prevent the growth of mold and mildew and their odors when used as directed. This product is an effective one-step sanitizer-cleaner for use on non-food contact surfaces. When used as directed, this product will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas and other places where bacterial growth can cause malodors.

INSTRUCTIONS

This product is a proven "one-step" cleaner -disinfectant -sanitizer -fungicide -mildewstat -virucide in the presence of moderate amounts of organic soil.
