

Powerhouse

Industrial Cleaner and Degreaser

DESCRIPTION

A multipurpose, heavy duty, high alkaline, butyl based cleaner and degreaser concentrate. This water-based cleaner is extremely effective in cutting grease and grime on floors, engines, equipment, appliances, and painted surfaces. May also be used in automatic scrubbers and steam cleaners where high alkalinity is required. **Do not let dry on painted surfaces, high dilution is needed when using on aluminum, soft metals and painted surfaces.**

INSTRUCTIONS

This powerful degreaser is well suited for cleaning kitchen vent hoods, floors, fixtures and ovens. Industrial cleaning of motors, compressors, engines, condenser coils, walls, and floors are cleaned easily with varying dilutions of the concentrate. Powerhouse can be used on all detergent resistant surfaces such as concrete, tile, brick, ceramic, iron, porcelain, chrome, stone, rubber and all washable painted surfaces. If light cleaning of painted walls, floors, equipment, or bathroom fixtures is needed, mixture can range from 2 ounces to 10 ounces per gallon of water. It is safe on painted surfaces at 2-4 ounces per gallon. For heavy cleaning, use a mixture of 12-14 ounces per gallon of water.

FEATURES

- Concentrated: Dilute up to 1-80
- Non -Flammable
- Works well in hard or soft water
- Contains sodium hydroxide

SPECIFICATIONS

Appearance:	Purple Liquid	Detergency:	Excellent
Odor:	Sweet	Causticity	Yes
Specific gravity:	1.03	Biodegradable:	Yes
pH:	12-13
