

PROFESSIONAL SPOTTER

DESCRIPTION

This product is an industrial grade, ready to use cleaner, and stain remover that is powerful, yet safe for home use. Lifts stain from carpet, upholstery and most hard surfaces. Simply rub in; blot, and stains are removed, leaving a fresh smell.

INSTRUCTIONS

Will remove blood, cosmetics, crayons, food stains, fruit juices, grass stains, grease, grime, iodine, latex paint, mildew, oil, many shoe polishes, washable ink and many other stains. Dyes, indelible inks, and stains set by heat, leather, suede, velvet, non-colorfast wool, or any fabric that will be damaged by water should not be cleaned with this product. To clean **CARPET**: Apply this product directly to the stain. Rub the stain with a brush until it dissolves, then blot the carpet with a cloth. Repeat if necessary. To clean **UPHOLSTERY & FABRICS**: Apply product to a cloth towel, not to fabric. Rub the stain with a towel. Blot the stained area with a dry towel. Repeat if needed. To clean **WASHABLE FAB- RICS**: Apply this product directly to the stain. Fold fabric and rub stained area. Machine wash. To clean **HARD SURFACES**: Fill a quart trigger sprayer with this product. Spray stained or dirty areas, and then wipe off with a clean cloth.
