USA, INCORPORATED

Introducing  
**Surflan® Pro**  
**Liquid + W.D.G. Herbicide**  
 from AGRISEL USA INC.

The Turf, Ornamental,  
 Home & Garden  
 and Landscaper's  
 Pre Emergent Herbicides

## Pre Emergent Herbicides

Agrisel Surflan® Pro Herbicides are both high quality, cost efficient, oryzalin herbicides. Surflan Pro liquid and W.D.G. formulations are locally produced and EPA approved, and effectively control more than 100 different weeds and grasses in gardens, ornamental, lawns, and landscaping areas.

### Key Product Benefits:

- Provides effective pre emergent weed control
- Fully labeled for most landscape, home & garden, ornamental and non crop uses.
- Kills weeds before they germinate
- Controls new weed growth for up to 6 months
- Economical to use
- Convenient package sizes - 12x1/quarts-liquid and 4x5/lb Jugs, 2x2½/gallon Jugs
