

## TILE WHIZ

### **DESCRIPTION**

A heavy duty, high alkaline, tile cleaner and degreaser concentrate. This water-based cleaner is extremely effective in removing grease, oil and soils from glazed and unglazed ceramic tile, saltillo and quarry tile as well as concrete, brick, and porcelain

### **INSTRUCTIONS**

1. For restoration cleaning, mix one part product to 5 parts of water. For moderate to routine cleaning mix one part product with 10-20 parts of water.
2. Apply by brush, mop or sprayer. Be sure to thoroughly wet the surface.
3. Allow to dwell 10-15 minutes. Agitate the surface by scrubbing for best results. Badly soiled surfaces may need a second application.
4. Rinse thoroughly with water and recover the dirty solution.

### **FEATURES**

- Concentrated: Dilute up to 1-20
- Non Flammable
- Low foaming for easy recovery
- Works well in hard or soft water
